MRS. DONALD BENNETT

We Dedicate

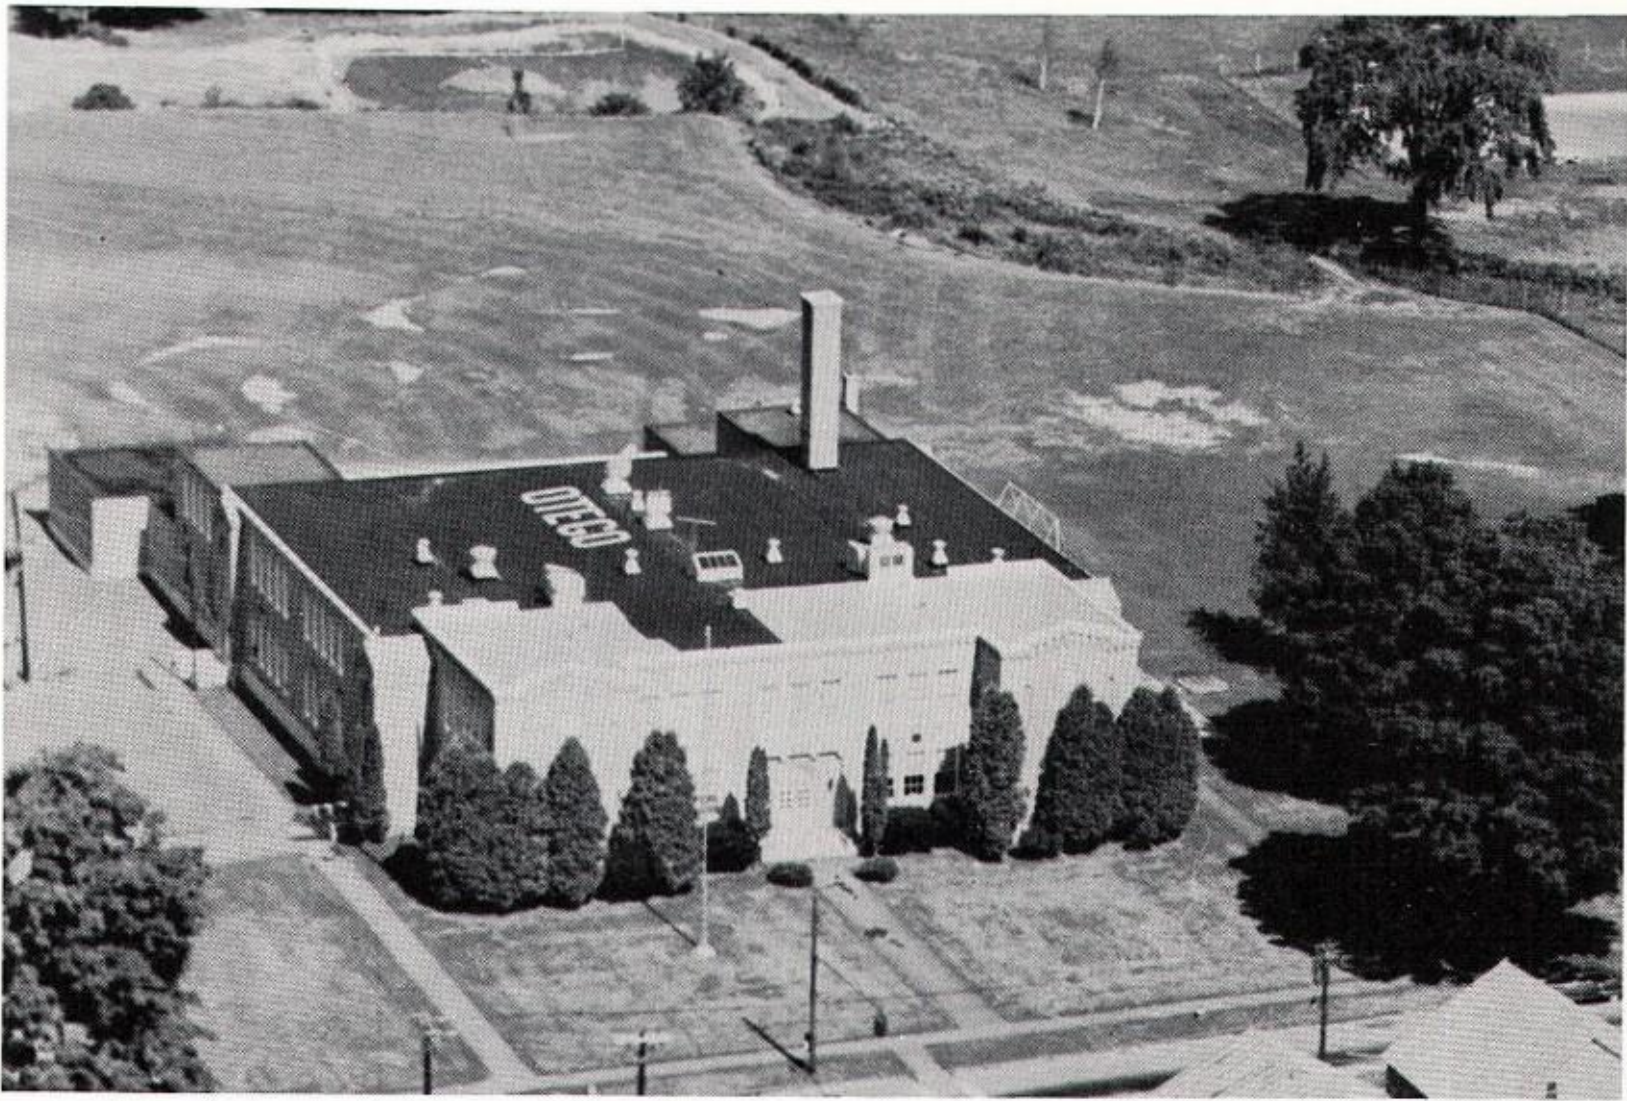

To Mrs. Bennett, our class advisor, who has guided, inspired, and helped us so often and so much during these past four years, we gratefully dedicate this yearbook.

MR. CHARLES SMITH

In Appreciation

To Mr. Smith we wish to express our sincere appreciation for his advice and co-operation through our high school years.

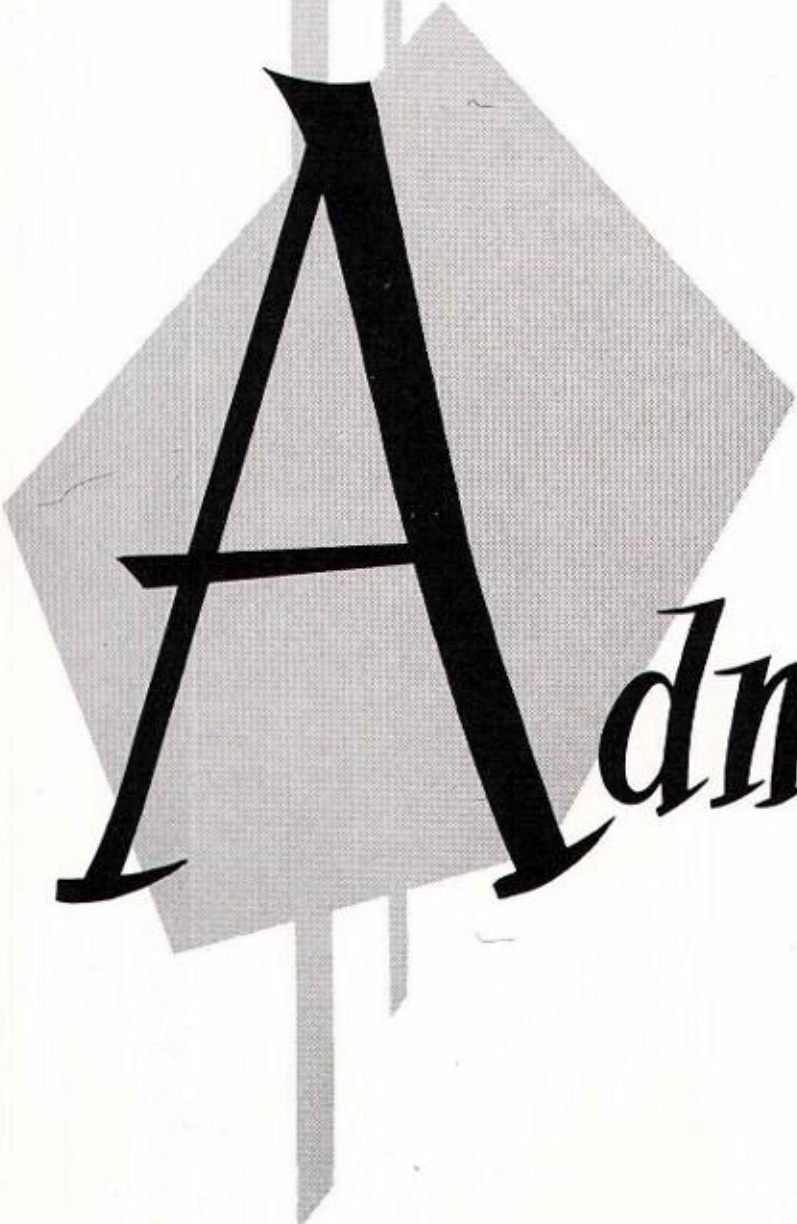

ALMA MATER

By the maple trees surrounded
 And a lawn that's always green
 Stands our dear Otego High School
 Place of many a pleasant scene.
 With the hills and trees behind it
 'Mong the buildings of the town
 Is it not a pretty picture of the
 Orange and the Brown

When at first we entered high school
 We felt so strange and shy
 And many a problem vexed us,
 Causing oft a long drawn sigh
 But as the days rolled by us
 And the regents came around
 We were well prepared to answer for the
 Orange and the Brown

Through the next three years of high school
 In the rooms we love so well,
 We gain a broader knowledge
 Of the things that life will tell:
 And we win athletic victories
 O'er the teams of nearby towns
 Still we work for dear Otego and the
 Orange and the Brown

Administration

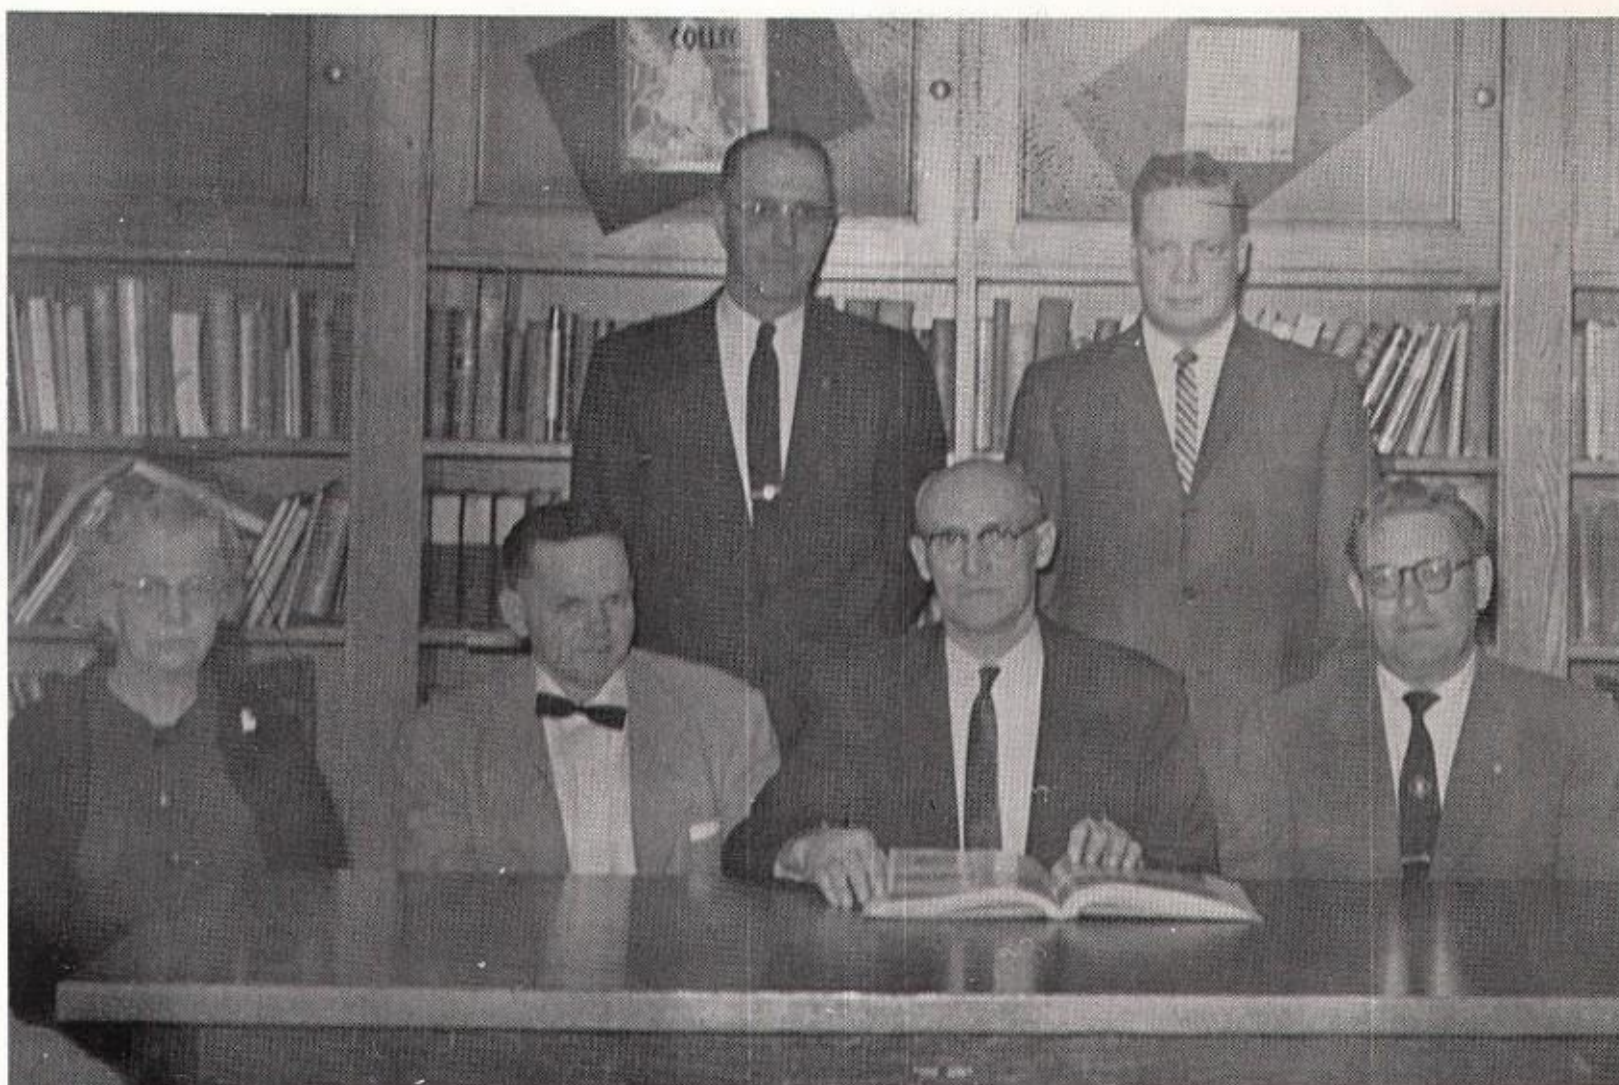

From Our Principal's Office

You have labored; you have had anxious moments; you have been afraid and at the same time courageous; you have finally reached a goal; graduation. In the immediate and distant future remember these experiences and lessons you have learned while progressing through school. Success depends a good deal on hard work and determination. You have already demonstrated, in varying degrees, that you have these attributes. For the unpredictable opportunities in the future, where you may utilize your talents, I wish every possible success.

Board of Education

SEATED: Mrs. Bump, Clerk; Mr. Miller, Mr. Davis, President; Mr. Hazzard.

STANDING: Mr. Hyatt, Mr. Skinner, Supervising Principal. Absent: Mrs. Charles Herring, Sr., Mr. Tyson, District Superintendent.

As the graduating class of 1960 we would like to express our gratitude and appreciation to the guiding hand, our Board of Education, whose members give freely of their time and effort without tangible recompense.

They are not only interested in the present students and conditions at O. C. S., but in future generations of students. At present they are deeply imbued in plans to alleviate crowded conditions and inadequate facilities through a building program.

We are indeed fortunate to have public spirited citizens such as these to lead the fortunes of our school.

CLASS MOTTO
"The reward of a thing well done,
is to have done it."

On September 2, 1947, Roy, Steve Bump, Eric, Carol, Elizabeth, Val, Nancy, Claudia, and Catherine entered Otego Central empty handed, except maybe for a lunch pail. Now on June 27, 1960, we are walking out with a paper which represents 13 years of work, fun, and wonderful memories.

It was during our first year of school that the first grade was divided and we became known as kindergartners with Mrs. Schwanniger. We all remember our kitchen band and our arguments about who was going to rest on top of the tables, not beneath them. That year we were crowded into the room that now serves as the physical education office.

In first grade we were joined by Roger Sperry, Deyo, Stan, Jackie A., Bonnie, Arlene, Alice, Charlotte, and our lackadaisical Stroman. We learned the alphabet and colors from Mrs. Hamilton's large cards. Each morning we had a sharing period which was fondly labeled "Our Morning Paper."

Our only newcomer in second grade was Rosie. She remembers chasing Steve Bump around the football field. Steve got even by swishing Charlies curls around in his spaghetti. Mrs. Haynes taught us all about the Indians.

In Miss Jester's third grade we gained Jim and Jerry Hall, John, Martha, and Zada. This year we began to write and do complicated subtraction. Several of us were Dutch girls and Spanish Dancers in the spring operetta. But, alas, some of us contracted measles and the show went on without us. The girls were constantly removing burdocks from their hair which were put there by some of our classmates.

Mrs. Secor and fourth grade found us with four new members. Dick A., Duane, Anita, and Rita joined us. The spring operetta was "Hansel and Gretel." Our little Cootie played the part of Gretel.

Onto fifth grade and now we were in a divided class. Mrs. Wallace and Mrs. Tuttle made geography more interesting by separating us into small study groups. Jackie H. and Gene H. became our classmates.

In sixth grade we gained two more; Nan and Steve Butler. We studied and sampled foreign foods prepared and served by Mrs. Davidson's homemaking girls. Steve Bump, Gene H. and Deyo went to Washington on a Safety Patrol trip.

The next four years we spent adjusting to a different schedule. Gene R., Roger Silvernail, Joan and Linda joined us during these years. We initiated Mr. Hayes into Otego and gave him a hearty "Welcome back, Papa Hayes." We struggled through biology, physics and geometry. Our first dance was a tremendous success.

The highlight of our junior year came on June 5, when Valerie and Roy were crowned king and queen at our prom. Music was by Linus Houck and the theme was "Deep Blue Sea." Ralph and Charlie finished the year with us.

At last, our Senior year and into a whirlwind of activities. Dick M. made our class complete. Rosie and Jim became known for their boobs in lab. In December we held our Senior Ball, the first for many years. Now we are in the midst of producing the yearbook, presenting the senior play and planning our trip. Gene R. captured the lead in "The Man Who Came to Dinner," our senior play.

Now we are leaving OCS recalling the fond memories of our school days. We will always remember the fine times we have had here during what will prove to be some of the happiest days of our lives. The school will little note nor long remember what we say here but we can never forget what we did here.

Twenty eight boys answered the call for the opening practice of this years football team. Only three lettermen were among those present. With Edmeston's all veteran team, who had an undefeated season last year as the first opponent, we knew we had much work ahead of us. We worked hard and felt we were ready when the day of the game arrived. Edmeston scored the first time they got their hands on the ball, but after we got rid of the "jitters" we fought them to a standstill. The final score was 6-0 and even worse was the fact we lost Roy Croswell and Steve Butler for the coming games.

Worcester was our first win of the season by a 20-13 score and the following week Larry Thayer's five touchdowns led the "Blackhawks" to a 35-0 rout of Cherry Valley. Our second defeat of the season was suffered at Morris on a rainy day. The score was a 40-28. After a journey to Franklin that proved to be well worthwhile, our boys came home with a victory. This game was a thriller and the final score was 19-18. The team showed a successful season, and the fans certainly got behind them. The "Blackhawks" deserve credit for raising the winning spirit of the school, and contributing to the example of good-sportsmanship.

When November 2nd rolled around, Coach McCredy got his first look at this years edition of the "Blackhawks" that would represent Otego in the Tri-Valley League.

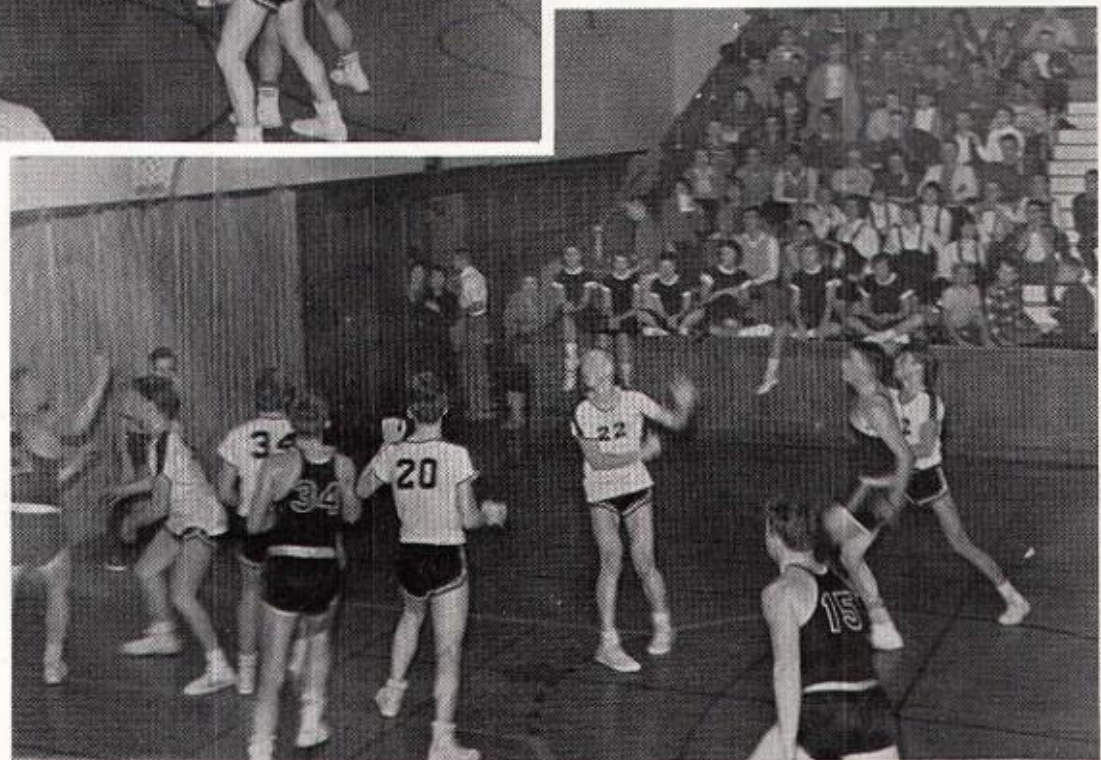

Three lettermen were present - Roy Croswell, Stan Veen, and Roger Sperry - and the team was built around these men. After three weeks of hard preparation it became apparent that Dick Avery, Gene Reinshagen, and Don Hamilton would share the other starting positions.

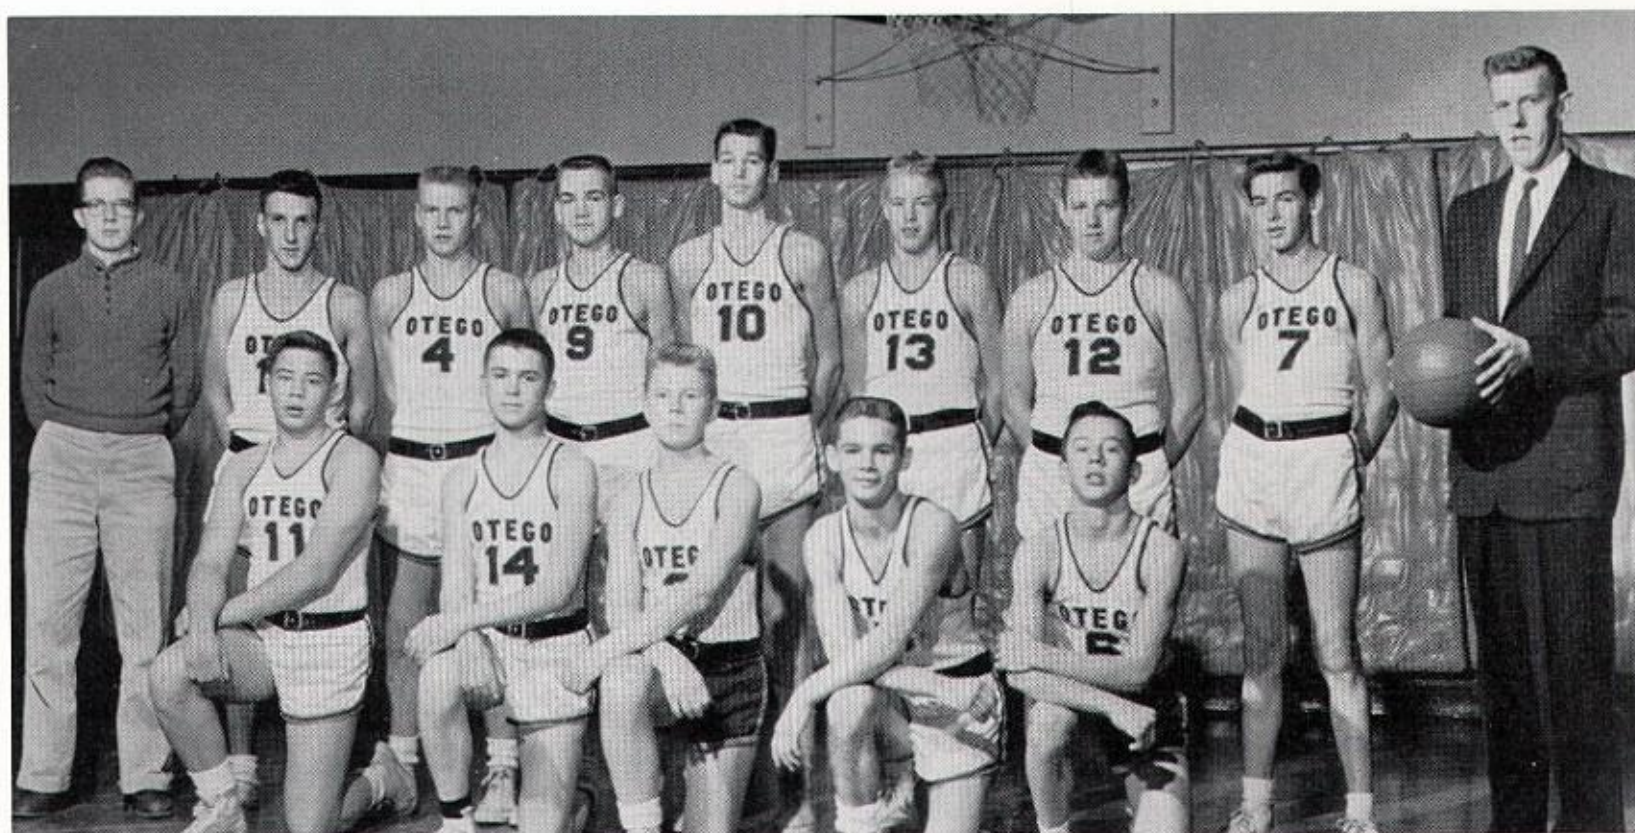

The team started fast, winning 6 of their first 7 games before the Christmas holidays. An intersectional game with a strong Earlville team proved to be one of the highlights as Otego won 44-36. Also included in this string was our first win over Edmeston in several years. This was accomplished only after overcoming a 10 point deficit in the final five minutes of the game.

After the holidays we hit our low point for the season. Don Hamilton moved away and Stan Veen sprained his ankle severely. In spite of these hardships the boys fought hard before bowing to Worcester 34-36. This loss spurred them on to new heights and, with the addition of Fred Ouimet from the J. V. 's, they went on to play good ball for the remainder of the season. They were one game behind Draper when they visited Schenvus but led by Roy Croswell's 36 points and 20 by Rog Sperry the boys came thru with a 67-55 win. Dick Avery, Gene Reinshagen and Stan Veen were outstanding in this game on defense and on grabbing rebounds. Once gaining a tie with Draper, the boys were't to be denied, they swept thru 7 games in a row finishing the season with a 13-2 record and what's more important - the first league championship in over 20 years.
